## COVID-19 Situation

Please check once more the links on the PIC home page (<https://pic2020.physik.rwth-aachen.de/>), especially the list of classified high risk areas at (section 3.2 of the document):

[https://www.rki.de/DE/Content/InfAZ/N/Neuartiges\\_Coronavirus/Transport/Archiv\\_Risikogebiete/Risikogebiete\\_aktuell\\_en.pdf?\\_\\_blob=publicationFile](https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Transport/Archiv_Risikogebiete/Risikogebiete_aktuell_en.pdf?__blob=publicationFile)

At the symposium:

**To access the conference site you need to be recovered, full vaccinated, or tested negative!**

We will check your status during the registration. Please bring your proofs along.

If you are neither recovered nor fully vaccinated you need to show a negative test every morning (test must not be older than 48 hours). There are test centers nearby the conference venue. They offer tests free of charge. You will receive the results via e-mail approximately half an hour after the test. The conference office will help you booking tests.

(<https://www.staedteregion-aachen.de/de/navigation/aemter/oeffentlichkeitsarbeit-s-13/aktuelles/corona-schnelltest>)

You will have to wear a facemask within the conference building.

You will have to stick to a fixed seat in the lecture hall throughout the whole symposium. You will receive a sticker with your name at the registration. We ask you to label your chosen seat with it.

The lecture hall seats more than 200 people. It will allow keeping a minimal distance from participant to participant. We recommend wearing your facemask during the talks, but it is not mandatory.

Coffee breaks: Please wear your facemask and keep your distance while picking up your coffee. We recommend you drink your coffee outside of the building. No restrictions apply in the open.
